Why earn a Doctor of Nursing Practice?

- The Institute of Medicine (IOM) calls for nurses to take on greater responsibility and recommends that, by the year 2020, the number of nurses prepared at the doctoral level be doubled.
- The American Association of Colleges of Nursing (AACN) urges nurses to increase their educational level to keep pace with the rapidly evolving healthcare environment.
- With a DNP degree from MCCN, you will be prepared for higher-level, career-path positions that call for:
 - Organizational and systems leadership for quality improvement
 - Analytical methods to evaluate and implement evidence-based practice
 - Utilization of technology for the improvement of healthcare
 - Interprofessional collaboration for improving patient and population outcomes
 - Knowledge of clinical prevention and population health
- Track options
 - The Leader in Clinical Practice, DNP
 - The Executive Leader, DNP
 - Executive Academic Leadership, DNP

**To prepare you for increased opportunity
in today's dynamic health care environment
and to help you realize your life's calling at a
higher level.**

Criteria for Admission

To be considered for admission the following is required:

- **Official Transcripts.** Applicants must submit an official transcript from each post-secondary institution attended. Applicants must have completed a master's degree in nursing from a nationally accredited institution. A minimum 3.25 cumulative GPA for graduate work is preferred.

Mail transcripts to:

Mount Carmel College of Nursing Admissions
127 S. Davis Ave., Columbus, OH 43222

- Electronic and official paper transcripts must be sent directly from the institution to MCCN

Transfer Credit

Transfer credit is considered for courses taken elsewhere within five years of admission. Work presented for transfer credit must be from an accredited college and is subject to evaluation in light of the degree requirements of the university.

To have a course considered for transfer credit, applicants must make the request at least six (6) weeks before the course begins and submit this petition to dnpmmentor@mccn.edu with the course syllabus enclosed. A maximum of six (6) credits can be considered for transferred. The program director approves transfer credit for all DNP courses. If transfer credit is approved, it will appear on the student's official transcript and the hours earned will count toward the DNP.

- **Registered Nurse Licensure.** An unencumbered Registered Nurse license must be presented.
- **Résumé or curriculum vitae**
- **Letters of Recommendation.** Strong professional references from two professionals prepared at the doctoral level who can speak to the applicant's current abilities and potential for academic and clinical competence. One recommendation must be from a nurse who is prepared at the doctoral level.
- **Statement of Purpose.** The statement of purpose written by the applicant that outlines the applicant's goals and objectives for the pursuit of doctoral studies including the anticipated area of interest for the DNP project. The types document is approximately 3-4 paragraphs and should include:
 - Professional and academic background, skills and accomplishments
 - DNP project – target setting of interest
 - Why the program is a good fit for your interests and career goals
- **Technical Requirements.** Mount Carmel College of Nursing considers the Internet communication interface an essential learning resource for doctoral students. DNP students will be required to have a home computer, printer and reliable Internet service provider that has high-speed broadband Internet access. Technical requirements can be found here.

- **Candidate Video Interview** (Please see application for further instructions)
- **A minimum score of 79 for internet-based, 213 on computer-based and 550 on paper-based TOEFL for International students**
 - Official TOEFL scores: applies to students for whom English is not the native language; minimum required TOEFL score of 550 (paper based), 213 (computer based) or 79–80 (Internet based); TOEFL scores are valid two years from the test date. To learn more about the TOEFL, visit www.ets.org/toefl TOEFL scores should be mailed directly from TOEFL to Mount Carmel College of Nursing, Office of Admissions, 127 South Davis Ave, Columbus, Ohio 43222

Student Services

We offer several student support options to help you reach your dreams!

Whether you need help inside or outside of the classroom, we're here for you!

Student Accessibility Services

Accessibility Services provides support for students with disabilities or other life situations. Our goal is to provide students with disabilities an equal opportunity to competitively pursue their college education. Reach out to accessibility@mccn.edu to learn more about any services that we offer.

Behavioral Health Services

We are aware of the many pressures students face every day. To assist with these challenges, we offer on-campus professional counseling services to students provided by a dedicated counselor. Email counselor@mccn.edu to learn more. Additionally, we offer a 24/7 option to support students during all times. This resource can be accessed through carebridge.

Care Team

The Care Team is a team made up of multiple areas across the College that helps to coordinate support for students experiencing personal or academic. The team serves as the centralized resource and advisory body to address concerning behaviors of members of the MCCN community. To contact the Care Team, email CareTeam@mccn.edu.

Student Success Center

The Student Success Center offers academic tutoring, paper reviews, and study sessions for all students. Peer tutors and faculty coaches are available to meet in-person or online throughout each semester or term. Contact academicresources@mccn.edu for more details.

i-Innovate Student Success Initiative

i-INNOVATE

Advancing technology to lead healthcare today

i-Innovate is a campus-wide initiative enabling MCCN to provide equal access technological opportunities to all MCCN students. MCCN collaborates with Apple on this student success initiative where faculty members, staff and students have access to a new Apple iPad, Apple Pencil, smart keyboard, a protective case and AppleCare+.

The device and its accompanying accessories are property of MCCN. Students will be granted full use of them as both an educational tool and a personal device during their time at MCCN. MCCN is committed to preparing students academically and professionally as competent and compassionate nurse leaders both in and out of the classroom, which is why this is more than just students and faculty purchasing an iPad. This student success initiative is also a significant investment in our classrooms and common spaces, including the installation of Apple TVs and improved collaboration spaces across campus.

i-Innovate FAQ

Who will participate in i-Innovate?

All MCCN faculty and students will have access to the technology.

What is included in the iPad equipment package?

Apple iPad
Apple Pencil
Smart Keyboard
Protective Case
AppleCare+

When will I receive my device?

All students will receive their devices prior to the start of their academic year.

Will there be device training for students?

Yes, all students will participate in device training for the program.

What are the benefits of using an MCCN issued iPad?

Every MCCN iPad is preloaded with unique apps that faculty and students can use to augment professional practice and transform the workforce. If the student chooses to pay the remaining balance on their iPad by the end of their career at MCCN, they can take it into practice with them and use it as a tool when working directly with patients. Additional benefits include:

- Improved collaboration between faculty members and students
- Personalized learning
- Greater connectivity and flexibility
- Better preparation to succeed in our progressively digital world

APPLYING FOR AID AND SCHOLARSHIPS

1 Determining Financial Aid and Eligibility

The total cost of attending Mount Carmel College of Nursing will vary from year to year. The total cost of attendance includes tuition, fees, and the cost of books, uniforms, transportation and personal expenses. Only tuition and fees are direct expenses, but indirect expenses are calculated into the cost of attendance.

The “Expected Family Contribution” (EFC), is arrived at using a government formula that takes into consideration the following: Parents’ and student’s total income, or student’s and spouse’s total income, number of dependents, number in college, and other assets.

A student’s eligibility for loans, grants or scholarships is determined by the following formula:

Total Cost of Attending Mount Carmel
Minus (-) Expected Family (Student and parent or spouse) Contribution (EFC)
Equals (=) Eligibility for need-based financial aid

2 Applying For Financial Aid

To be considered for Federal, State, and Institutional grants, loans, and scholarships, a student must submit a Free Application for Federal Student Aid (FAFSA). The Mount Carmel College of Nursing FAFSA code is 030719. Scholarships are available for accepted and confirmed students.

The student may receive requests for further documentation. All requested materials must be returned to the MCCN Office of Financial Aid within 30 days to avoid possible loss of financial aid. The student will receive a financial aid award letter after all forms are complete. A student may file an appeal at any time during the academic year if there is a significant change in his/her family’s income. Contact the Office of Financial Aid. The student must resubmit a new FAFSA or renewal FAFSA each year in order to reapply for financial aid for the next academic year. For questions about financial aid, please call 614.234.1842 or e-mail us at financialaid@mccn.edu.
