

TODAY
YOU LEAD.
LEARN.

YOU ARE ESSENTIAL.

Among what you'll find at **www.mccn.edu**:

- . Calendar of information sessions
- . Graduate programs
- . Graduate program curriculum
- . Financial aid information

YOU are essential.

Today you learn. TOMORROW YOU LEAD.

As a professional registered nurse, you may dream of taking your calling to greater heights.

Mount Carmel College of Nursing (MCCN) offers a dynamic Graduate Program with you in mind. Our programs — the Master of Science (MS) (with three track options) and the Doctor of Nursing Practice (DNP) will prepare you for increased opportunity in today's dynamic health care environment and will help you realize your life's calling at a higher level.

With a century of success in educating nurses, Mount Carmel offers an elevated experience led by outstanding faculty, providing individual student support, on-site clinical opportunities, easy-to-schedule classes, and a state-of-the-art education resource center.

Our Mission: In the spirit of the Catholic tradition, we welcome a diverse population of students from all faiths, to prepare them academically and professionally as competent and compassionate nurse leaders, who are lifelong learners, and who possess the moral courage to continuously promote the health of individuals and communities.

**The MCCN
Master of Science
(MS) Program
is designed for
career-minded
baccalaureate-
prepared registered
nurses who are
ready to reap
the benefits of
expanded career
opportunities.**

Nursing Education and Leadership

To prepare you for increased opportunity in today's dynamic health care environment and to help you realize your life's calling at a higher level.

Master of Science Program: Adult-Gerontology Acute Care Nurse Practitioner (AG-ACNP)

Mount Carmel College of Nursing's Adult-Gerontology Acute Care Nurse Practitioner (AG-ACNP) Program is designed for registered nurses who are ready to pursue graduate education that will lead to an acute care focused, advanced practice nursing role. The Adult Gerontology Acute Care nurse practitioner provides health care services to adult patients with complex acute, critical and chronic health conditions in high acuity settings that require intensive monitoring and therapeutic intervention. These advanced professionals are typically employed in hospital settings, including intensive care, sub-acute care and emergency care, but may also be employed in ambulatory, outpatient, and rehabilitative settings to provide population-based care across the health care continuum for the purpose of restoring individuals to their maximal health potential, following an acute care episode. The program is offered in a hybrid model, with both online and face-to-face coursework.

Criteria for Admission

To be considered for admission to any of the Graduate Program tracks at Mount Carmel, the following are required:

- Baccalaureate degree in Nursing from an accredited program; accreditation by either the Accreditation

Commission for Education in Nursing (formerly NLNAC) or the Commission on Collegiate Nursing Education (CCNE). Master's and doctoral degrees also considered for the NP program

- Cumulative grade point average (GPA) of 3.0 on a 4.0 scale in the baccalaureate nursing program
- Undergraduate statistics and research courses with a letter grade of "C" or better in both. A grade of "C-" will not be accepted
- Two years of Intensive Care Unit (ICU) or similar high-acuity clinical experience within the last five years recommended
- Interview via video submission

Application Materials

- Completed application
- Current resume or curriculum vitae
- One-page typed statement of purpose written by the applicant that outlines applicant's goals and objectives for pursuit of graduate studies in the specialty track
- Current, unrestricted Ohio RN license or eligibility for Ohio Registered Nurse (RN) licensure
- Two (2) letters of recommendation (from individuals such as: work supervisor, professional colleagues, and former faculty members who hold a minimum of a master's level degree)
- Official TOEFL scores for students for whom English is not the native language; minimum required TOEFL score of 550 (paper based), 213 (computer based) or 79-80 (internet based); TOEFL scores are valid two

years from the test date. To learn more about the TOEFL, visit www.ets.org/toefl

- Official transcripts from all previous colleges/universities
- Proof of current BLS and ACLS training will be required prior to participating in clinical experiences
- Personal video (less than 7 minutes in length). Refer to the website for details on your video submission

Application Deadlines

The Adult-Gerontology Acute Care Nurse Practitioner track admits once a year for the fall semester program (begins in August).

Program Completion

Completion in 18 months over five semesters,
48 credit hours/ 650 clinical hours

Master of Science Program: Family Nurse Practitioner (FNP)

2

Mount Carmel College of Nursing's Family Nurse Practitioner (FNP) track is designed for registered nurses who are ready to pursue graduate education that will lead to a primary care focused, advanced practice nursing role. The Family Nurse Practitioner provides comprehensive primary health care to individuals from infancy to adulthood. FNPs are prepared to provide care to individuals with acute illnesses such as bronchitis or minor infections and chronic illnesses such as diabetes, high blood pressure and obesity. Preventive health services, patient education, disease management and other health initiatives are provided

to heal the body, mind and spirit within the context of family and community. The program is offered in a hybrid format with online and face-to-face coursework.

Criteria for Admission

To be considered for admission to any of the Graduate Program tracks at Mount Carmel, the following are required:

- Baccalaureate Degree in Nursing from an accredited program; accreditation by either the Accreditation Commission for Education in Nursing (formerly NLNAC)

or the Commission on Collegiate Nursing Education (CCNE). Master's and doctoral degree also considered for the NP program

- Cumulative grade point average (GPA) of 3.0 on a 4.0 scale in the baccalaureate nursing program
- Undergraduate statistics and research courses with a letter grade of "C" or better in both. A grade of "C-" will not be accepted
- One year recent clinical experience recommended (within the last five years)
- Interview via video submission

Application Materials

- Completed application
- Current resume or curriculum vitae
- One-page typed statement of purpose written by the applicant that outlines applicant's goals and objectives for pursuit of graduate studies in the specialty track
- Current, unrestricted Ohio RN license or eligibility for Ohio Registered Nurse (RN) licensure
- Two (2) letters of recommendation (from individuals such as: work supervisor, professional colleagues, and former faculty members who hold a minimum of a master's level degree)
- Official TOEFL scores for students for whom English is not the native language; minimum required TOEFL score of 550 (paper based), 213 (computer based) or 79-80 (Internet based); TOEFL scores are valid two years from the test date. To learn more about the TOEFL, visit www.ets.org/toefl
- Official transcripts from all previous colleges/ universities
- Personal video (less than 7 minutes in length). Refer to the website for details on your video submission

Application Deadlines

The Family Nurse Practitioner track admits twice per year, Fall (August) and Spring (January). Apply now!

Program Completion

Completion in 18 months over five semesters, 48 credit hours/ 500 clinical hours

Master of Science Program: Psychiatric-Mental Health Nurse Practitioner

3

Mount Carmel College of Nursing's Master of Science Psychiatric-Mental Health Nurse Practitioner (PMHNP) Program is designed for those who currently hold a bachelor's degree in nursing and are looking to specialize in caring for those in the psychiatric-mental health population across the lifespan. This program is designed for both novice and experienced registered nurses who are looking to advance their nursing career. The PMHNP prepares the advanced registered nurse to care for individuals, groups, and families in both counseling and psychopharmaceutical management.

Criteria for Admission

To be considered for admission to any of the Graduate Program tracks at Mount Carmel, the following is required:

- Baccalaureate Degree in Nursing from an accredited program; accreditation by either the Accreditation Commission for Education in Nursing (formerly NLNAC) or the Commission on Collegiate Nursing Education (CCNE). Master's and Doctoral Degrees also considered for the NP program
- Cumulative grade point average (GPA) of 3.0 on a 4.0 scale in the baccalaureate nursing program

- Undergraduate statistics and research courses with a letter grade of "C" or better in both. A grade of "C-" will not be accepted
- One year of recent clinical experience recommended
- Candidate video / Interview

Application Materials

- Current resume or curriculum vitae
- One-page typed statement of purpose written by the applicant that outlines applicant's goals and objectives for pursuit of graduate studies in the specialty track
- Current, unrestricted Ohio RN license or eligibility for Ohio Registered Nurse (RN) licensure
- Two recommendation letters (from individuals such as: work supervisors, professional colleagues, and former faculty members who hold a minimum of a Master's level degree)
- Official TOEFL scores for students for whom English is not the native language; minimum required TOEFL score of 550 (paper based), 213 (computer based) or 79-80 (Internet based); TOEFL scores are valid two years from the test date. To learn more about the TOEFL, visit www.ets.org/toefl.

- Official transcripts from all previous colleges/ universities

Program Completion

Fall and Spring Semester Start

Completion in 18 months over five semesters,
33 credit hours/150 practicum hours

Master of Science Program: Nursing Education

5

Mount Carmel College of Nursing's Nursing Education track, offered online, prepares the professional nurse to enter the academic classroom and institutional staff development department as faculty to educate the next generation of nurses or to take on staff development responsibilities in a healthcare setting. This advanced professional will apply relevant research in nursing education and understand the ethical and legal issues associated with the role of an educator in nursing. The program will conclude with a practicum learning experience.

Upon completion of the Nursing Education track, graduates will have the knowledge and skills to:

- Assume advanced nursing roles in education
- Develop appropriate programs that respond to the educational and healthcare needs of diverse populations
- Use epidemiological, social and environmental data to draw inferences for the development of nursing education programs
- Facilitate the use of evidence-based practice in nursing curricula
- Design health promotion or disease prevention educational programs
- Evaluate nursing programs and policies to assure quality outcomes in nursing education
- Demonstrate leadership in nursing education
- Use ethical decision making in relevant practice and education roles

- Collaborate with other disciplines to achieve quality outcomes in nursing education, in both institutions of higher learning and healthcare institutions
- Promote nursing as a profession and a discipline
- Demonstrate scholarly inquiry about nursing and health systems through verbal and written communication in educational scholarship
- Analyzes ethical, legal, and social factors influencing policy

Criteria for Admission

To be considered for admission to any of the Graduate Program tracks at Mount Carmel, the following is required:

- Baccalaureate Degree in Nursing from an accredited program; accreditation by either the National League for Nursing Accrediting Commission (NLNAC) or the Commission on Collegiate Nursing Education (CCNE). Master's and Doctoral Degrees also considered for the NP program
- Cumulative grade point average (GPA) of 3.0 on a 4.0 scale in the baccalaureate nursing program
- Undergraduate statistics and research courses with a letter grade of "C" or better in both. A grade of "C-" will not be accepted.
- One year recent clinical experience recommended
- Interview

Application Materials

Program Completion

Part-time: completion in three years over seven semesters

Post Graduate Certificate Programs

If you have Master of Science (MS or MSN) degree in the field of Nursing and wish to take your career to a higher level with a post-master's graduate certificate in a focused field of study, Mount Carmel College of Nursing offers certification through the following track options:

Adult- Gerontology Acute Care Nurse Practitioner (AG-ACNP)

Mount Carmel College of Nursing's Adult-Gerontology Acute Care Nurse Practitioner (AG-ACNP) Certificate Program is designed for master's prepared registered nurses who wish to pursue an acute care focused, advanced practice nursing role. The Adult-Gerontology Acute Care Nurse Practitioner provides health care services to adult patients with complex acute, critical and chronic health conditions in high acuity settings that require intensive monitoring and therapeutic intervention. We also offer an accelerated AG-ACNP for APRNs working in high acuity settings.

These advanced professionals are typically employed in hospital settings, including intensive care, sub-acute care and emergency care but may also be employed in ambulatory, outpatient and rehabilitative settings to provide population-based care across the health care continuum for the purpose of restoring individuals to their maximal health potential, following an acute care episode. The program is offered in a hybrid model, with both online and face-to-face coursework.

Application Materials

- Completed application
- Current resume or curriculum vitae
- One-page typed statement of purpose written by the applicant that outlines applicant's goals and objectives for pursuit of graduate studies in the Certificate Program
- Current, unrestricted APRN license or eligibility for Ohio APRN licensure as indicated
- Two (2) letters of recommendation (from individuals such as: work supervisor, professional colleagues, and former faculty members who hold a minimum of a master's level degree)
- Official TOEFL scores for students for whom English is not the native language; minimum required TOEFL score of 550 (paper based), 213 (computer based) or 79-80 (internet based); TOEFL scores are valid two years from the test date. To learn more about the TOEFL, visit www.ets.org/toefl
- Official transcripts from all previous colleges/universities
- Proof of current BLS and ACLS training will be required prior to participating in clinical experiences
- Personal video (less than 7 minutes in length). Refer to the website for details on your video submission
- Degree and clinical hours verification form

Application Deadlines and Program Completion

This Adult-Gerontology Acute Care Nurse Practitioner Certificate Program specialty coursework begins in the fall (August) and spring (January). See application for details.

The certificate programs are approximately 2 to 4 semesters in length. The certificate program of study is dependent on the previous graduate course work and courses may be waived or additional courses required. However, all students must complete specialty track coursework, achieve 650 clinical practicum hours (150 hours may be transferred through prior academic experiences) and maintain a 3.0 GPA to earn a program certificate.

Accelerated Online Adult- Gerontology Acute Care Nurse Practitioner (AG-ACNP)

Transfer Credit

For those students who already hold a national nurse practitioner certification and seek a second nurse practitioner area of focus, their transcripts will be evaluated for clinical practicum hours and courses. Applicants holding national certification as a nurse practitioner and who have documented practice working as an APRN in a high-acuity setting may be eligible for a practice hour credit - up to 150 hours.

Application Materials

- Completed application
- Current resume or curriculum vitae
- One-page typed statement of purpose written by the applicant that outlines applicant's goals and objectives for pursuit of graduate studies in the Certificate Program
- Current, unrestricted APRN license or eligibility for Ohio APRN licensure as indicated
- Two (2) letters of recommendation (from individuals such as: work supervisor, professional colleagues, and former faculty members who hold a minimum of a master's level degree)

- Official TOEFL scores for students for whom English is not the native language; minimum required TOEFL score of 550 (paper based), 213 (computer based) or 79-80 (internet based); TOEFL scores are valid two years from the test date. To learn more about the TOEFL, visit www.ets.org/toefl
- Official transcripts from all previous colleges/universities
- Proof of current BLS and ACLS training will be required prior to participating in clinical experiences
- Personal video (less than 7 minutes in length). Refer to the website for details on your video submission
- Degree and clinical hours verification form
- NP Competency Checklist form

Application Deadlines and Program Completion

This Adult-Gerontology Acute Care Nurse Practitioner Certificate Program specialty coursework begins in the fall (August) and spring (January). See application for details.

The certificate programs are approximately two to four semesters in length. The certificate program of study is dependent on the previous graduate course work and courses may be waived or additional courses required. However, all students must complete specialty track coursework, achieve 650 clinical practicum hours (150 hours may be transferred through prior academic experiences) and maintain a 3.0 GPA to earn a program certificate.

Family Nurse Practitioner (FNP)

Mount Carmel College of Nursing's Family Nurse Practitioner (FNP) Certificate Program is designed for master's prepared registered nurses who wish to pursue a primary care focused, advanced practice nursing role. The Family Nurse Practitioner provides comprehensive primary health care to individuals from infancy to adulthood. FNP's are prepared to provide care to individuals with acute illnesses such as bronchitis or minor infections and chronic illnesses such as diabetes, high blood pressure and obesity. Preventative health services, patient education, disease management and other health initiatives are provided to heal the body, mind and spirit within the context of family and community. The program is offered in a hybrid format with online and face-to-face coursework.

Application Materials

- Completed application

If the student has an active national certification as a nurse practitioner, 150 clinical practicum hours may be transferred.

Nursing Leadership – Clinical Operations

Mount Carmel College of Nursing's Master of Science Certificate Program in Nursing Leadership - Clinical Operations is designed for career-minded, master's prepared registered nurses who are ready to assume even greater responsibility and reap the benefits of expanded career opportunities. This advanced professional will apply knowledge and skills to provide vision and leadership within an ethical framework in health care environments. This program is offered in a hybrid model with both online and face-to-face coursework. An administrative internship serves as the capstone of this program. Our nursing administration track is designed for the professional nurse who is ready to advance his or her career by assuming managerial and administrative roles. This program is online.

Application Materials

- Completed Application
- Current resume or curriculum vitae
- One-page typed statement of purpose written by the applicant that outlines applicant's goals and objectives for pursuit of graduate studies in the Certificate Program
- Current, unrestricted RN license or eligibility for Ohio Registered Nurse (RN) licensure, if applicable
- Two (2) letters of recommendation (from individuals such as: work supervisor, professional colleagues, and former faculty members who hold a minimum of a master's level degree)

- Official TOEFL scores for students for whom English is not the native language; minimum required TOEFL score of 550 (paper based), 213 (computer based) or 79-80 (internet based); TOEFL scores are valid two years from the test date. To learn more about the TOEFL, visit www.ets.org/toefl
- Official transcripts from all previous colleges/universities
- Interview via video submission

Application Deadline and Program Completion

The Nursing Leadership - Clinical Operations Certificate Program specialty coursework begins in the fall (August). See application for details.

The certificate programs are approximately 3 to 4 semesters in length if program of studies is followed. The certificate program of study is dependent on the previous graduate course work and courses may be waived or additional courses required. However, all students must successfully complete specialty track coursework, achieve 150 practicum hours and maintain a 3.0 GPA to earn a program certificate.

Nursing Education

Mount Carmel College of Nursing's Nursing Education Certificate Program, offered online, prepares the Master's prepared registered nurse to enter the academic classroom and institutional staff development department as faculty to educate the next generation of nurses or to take on staff development responsibilities in a healthcare setting. This advanced professional will apply relevant research in nursing education and understand the ethical and legal issues associated with the role of an educator in nursing. The program will conclude with a practicum learning experience.

Application Materials

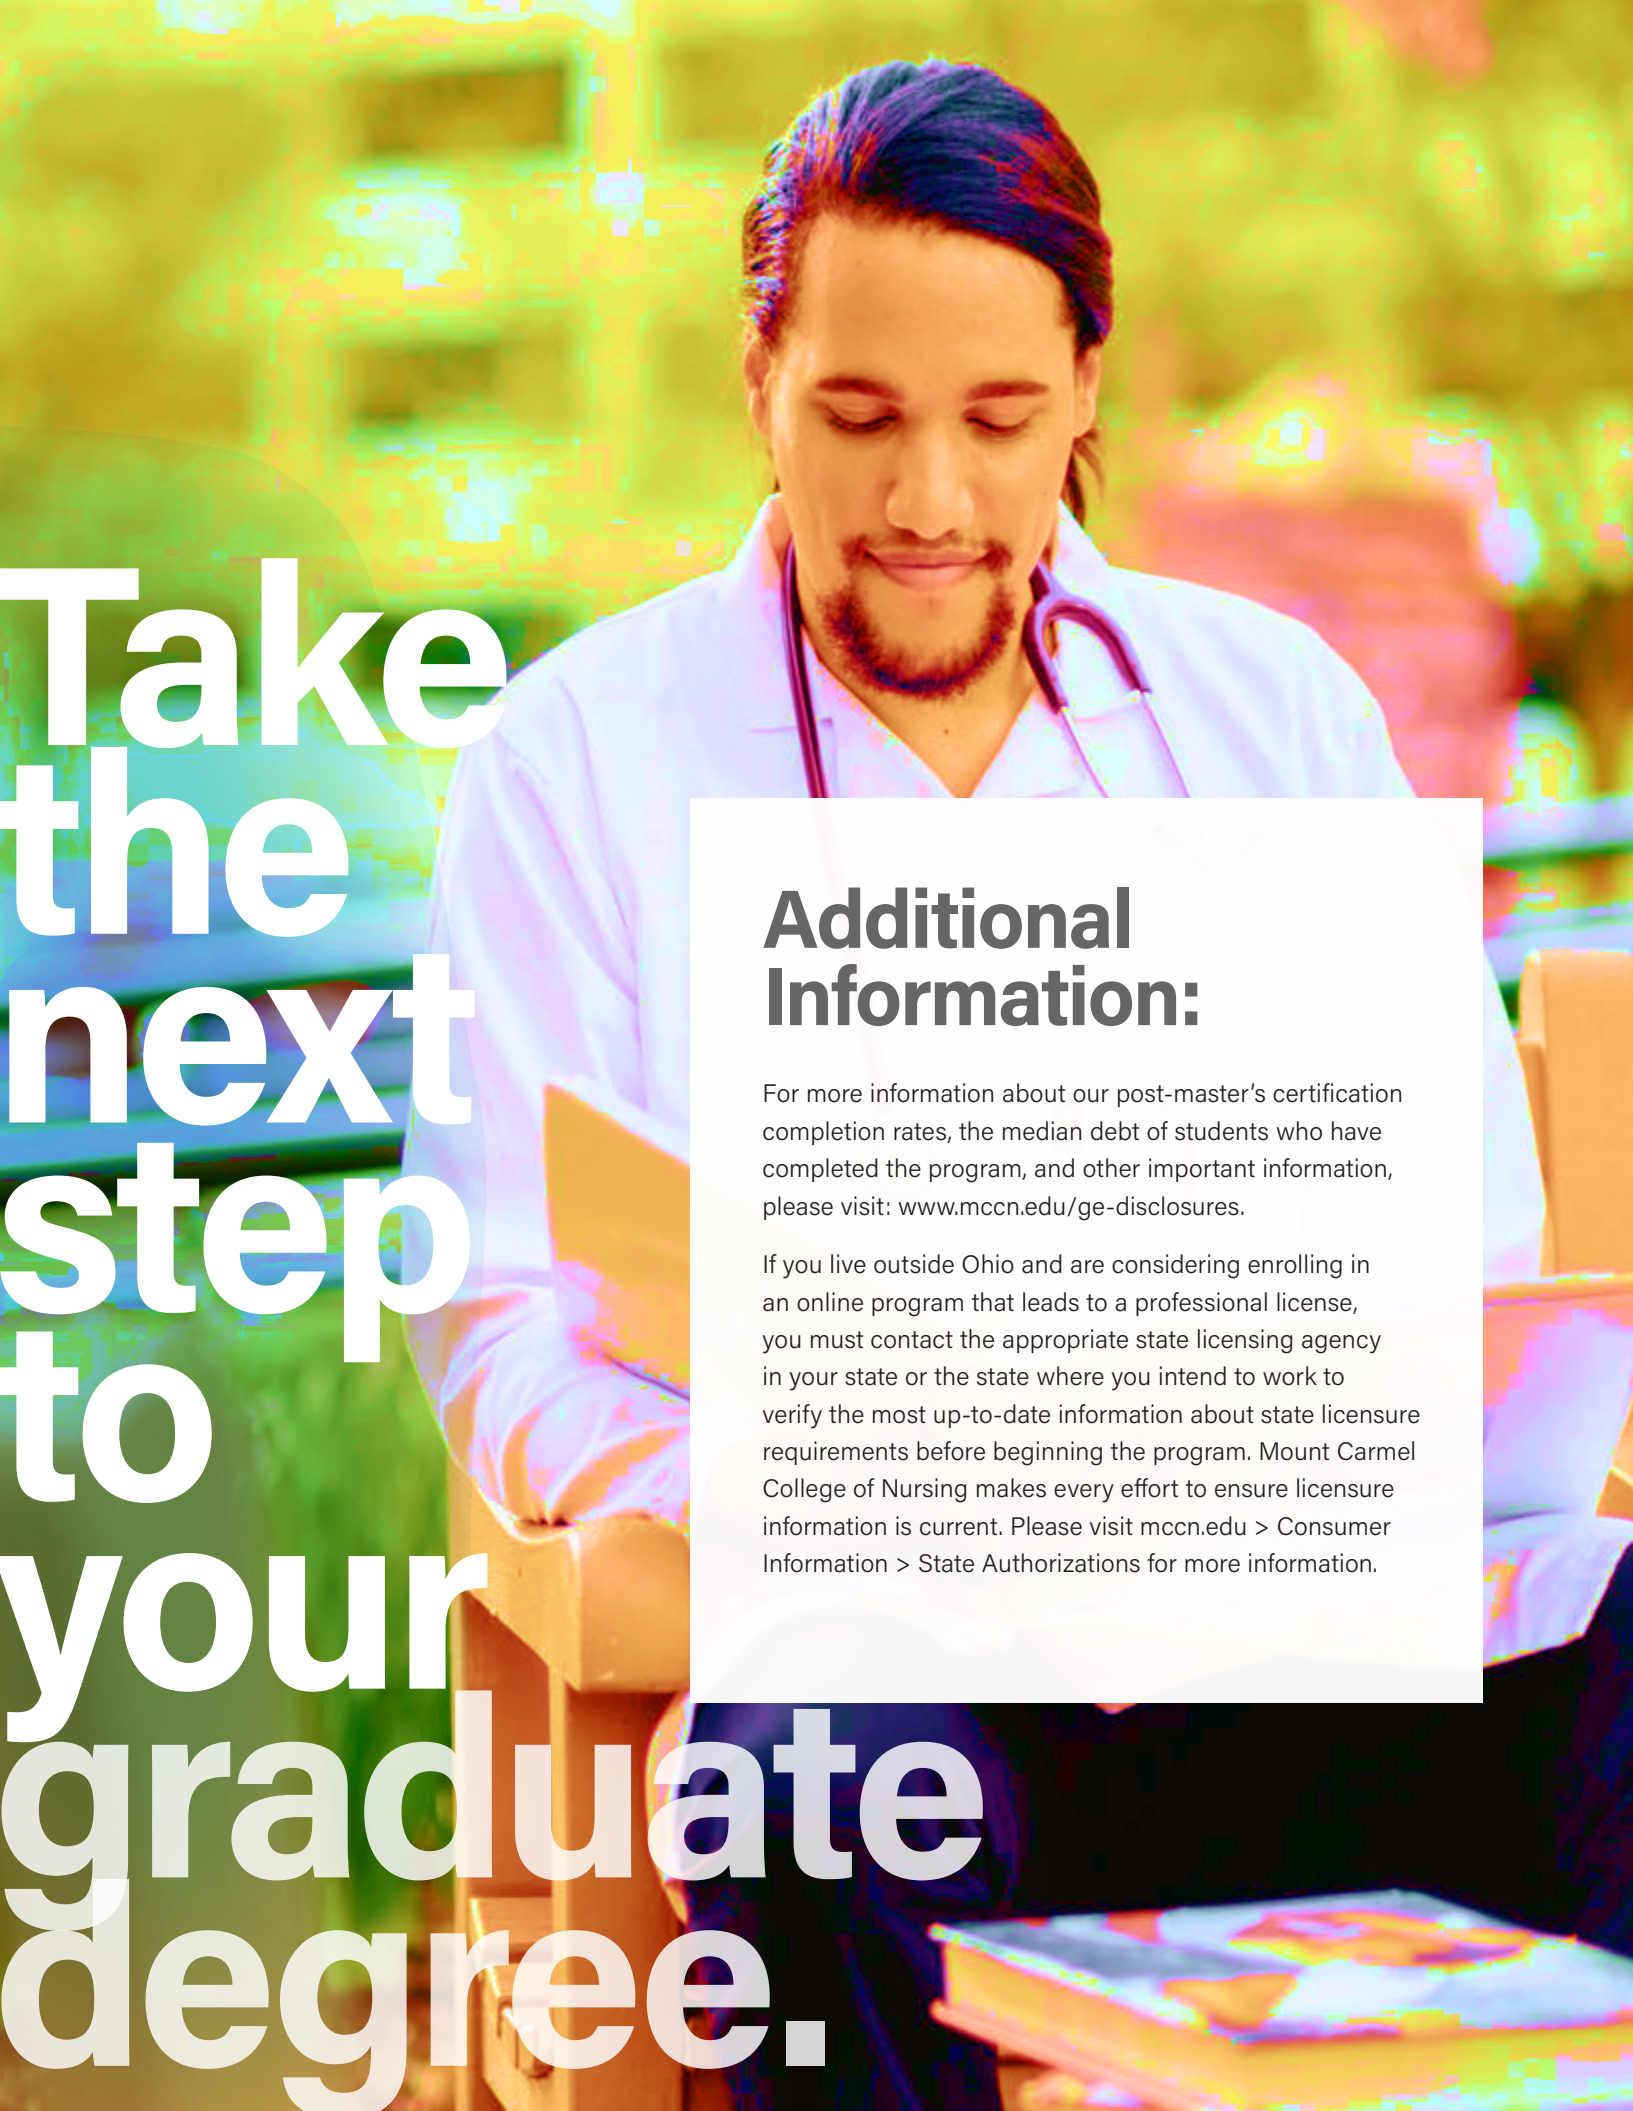

- Completed Application
- Current resume or curriculum vitae

Additional Information:

For more information about our post-master's certification completion rates, the median debt of students who have completed the program, and other important information, please visit: www.mccn.edu/ge-disclosures.

If you live outside Ohio and are considering enrolling in an online program that leads to a professional license, you must contact the appropriate state licensing agency in your state or the state where you intend to work to verify the most up-to-date information about state licensure requirements before beginning the program. Mount Carmel College of Nursing makes every effort to ensure licensure information is current. Please visit mccn.edu > Consumer Information > State Authorizations for more information.

Student Services

We offer several student support options to help you reach your dreams!

Whether you need help inside or outside of the classroom, we're here for you!

Student Accessibility Services

Accessibility Services provides support for students with disabilities or other life situations. Our goal is to provide students with disabilities an equal opportunity to competitively pursue their college education. Reach out to accessibility@mccn.edu to learn more about any services that we offer.

Behavioral Health Services

We are aware of the many pressures students face every day. To assist with these challenges, we offer on-campus professional counseling services to students provided by a dedicated counselor. Email counselor@mccn.edu to learn more. Additionally, we offer a 24/7 option to support students during all times. This resource can be accessed through carebridge.

Care Team

The Care Team is a team made up of multiple areas across the College that helps to coordinate support for students experiencing personal or academic. The team serves as the centralized resource and advisory body to address concerning behaviors of members of the MCCN community. To contact the Care Team, email CareTeam@mccn.edu.

Student Success Center

The Student Success Center offers academic tutoring, paper reviews, and study sessions for all students. Peer tutors and faculty coaches are available to meet in-person or online throughout each semester or term. Contact academicresources@mccn.edu for more details.

i-Innovate Student Success Initiative

i-INNOVATE

Advancing technology to lead healthcare today

i-Innovate is a campus-wide initiative enabling MCCN to provide equal access technological opportunities to all MCCN students. MCCN collaborates with Apple on this student success initiative where faculty members, staff and students have access to a new Apple iPad, Apple Pencil, smart keyboard, a protective case and AppleCare+.

The device and its accompanying accessories are property of MCCN. Students will be granted full use of them as both an educational tool and a personal device during their time at MCCN. MCCN is committed to preparing students academically and professionally as competent and compassionate nurse leaders both in and out of the classroom, which is why this is more than just students and faculty purchasing an iPad. This student success initiative is also a significant investment in our classrooms and common spaces, including the installation of Apple TVs and improved collaboration spaces across campus.

i-Innovate FAQ

Who will participate in i-Innovate?

All MCCN faculty and students will have access to the technology.

What is included in the iPad equipment package?

Apple iPad

Apple Pencil

Smart Keyboard

Protective Case

AppleCare+

When will I receive my device?

All students will receive their devices prior to the start of their academic year.

Will there be device training for students?

Yes, all students will participate in device training for the program.

What are the benefits of using an MCCN issued iPad?

Every MCCN iPad is preloaded with unique apps that faculty and students can use to augment professional practice and transform the workforce. If the student chooses to pay the remaining balance on their iPad by the end of their career at MCCN, they can take it into practice with them and use it as a tool when working directly with patients. Additional benefits include:

- Improved collaboration between faculty members and students
- Personalized learning
- Greater connectivity and flexibility
- Better preparation to succeed in our progressively digital world

APPLYING FOR AID AND SCHOLARSHIPS

1 Determining Financial Aid and Eligibility

The total cost of attending Mount Carmel College of Nursing will vary from year to year. The total cost of attendance includes tuition, fees, and the cost of books, uniforms, transportation and personal expenses. Only tuition and fees are direct expenses, but indirect expenses are calculated into the cost of attendance.

The “Expected Family Contribution” (EFC), is arrived at using a government formula that takes into consideration the following: Parents’ and student’s total income, or student’s and spouse’s total income, number of dependents, number in college, and other assets.

A student’s eligibility for loans, grants or scholarships is determined by the following formula:

Total Cost of Attending Mount Carmel
Minus (-) Expected Family (Student and parent or spouse) Contribution (EFC)
Equals (=) Eligibility for need-based financial aid

2 Applying For Financial Aid

To be considered for Federal, State, and Institutional grants, loans, and scholarships, a student must submit a Free Application for Federal Student Aid (FAFSA). The Mount Carmel College of Nursing FAFSA code is 030719. Scholarships are available for accepted and confirmed students.

The student may receive requests for further documentation. All requested materials must be returned to the MCCN Office of Financial Aid within 30 days to avoid possible loss of financial aid. The student will receive a financial aid award letter after all forms are complete. A student may file an appeal at any time during the academic year if there is a significant change in his/her family’s income. Contact the Office of Financial Aid. The student must resubmit a new FAFSA or renewal FAFSA each year in order to reapply for financial aid for the next academic year. For questions about financial aid, please call 614.234.1842 or e-mail us at financialaid@mccn.edu.

3 College Payment Plan

- The College Payment Plan allows the student or responsible party the convenience of spreading the tuition and fees expense over a number of months.

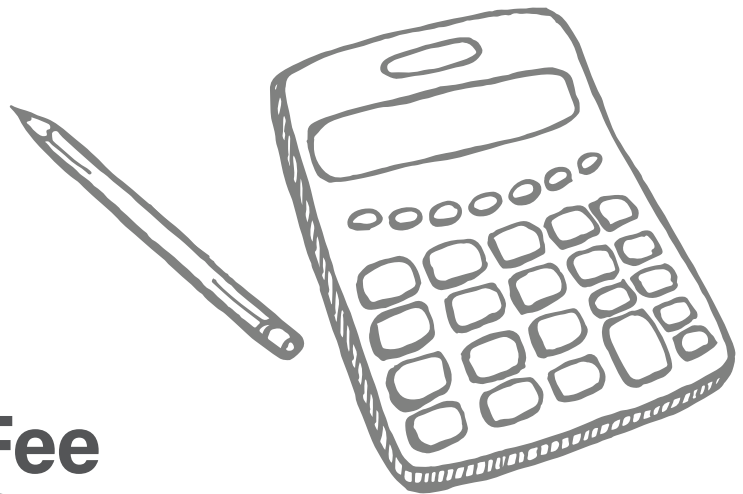

Tuition and fees for one semester may be included in the payment plan.

- Pending financial aid is taken into consideration when calculating monthly payments.
- Changes to the payment plan may be made with the approval of the MCCN Bursar.

Tuition and fees can be paid monthly over the duration of a semester with no finance charges or interest. Information regarding this plan is available from the MCCN Bursar Office.

Contact

MCCN Bursar Office with questions about the College Payment Plan, 614.234.2167 or email bursar@mccn.edu

Fee Payment

Payment due dates:

Payment is due the Monday prior to the start of the semester. Accounts with balances and no payment plan may be subject to a \$150 late fee.

Financial Aid Calendar

- October
Complete the FAFSA or FAFSA Renewal form on the web at www.studentaid.gov

Deadlines for Submitting FAFSA:

- April 15 for students entering for the Summer Semester (including APP)
- July 1 for students entering for the Fall Semester and current SDAP Students
- November 3 for SDAP students entering for the Spring Semester

Payment Methods

Three payment methods are available:

- (1)** Payment may be made by check or money order made payable to Mount Carmel College of Nursing. Include on the check or money order the student's name and student ID number. If mailing the payment, address it to:
Mount Carmel College of Nursing, Bursar Office
127 South Davis Avenue, Columbus, OH 43222-1504
- (2)** Payment may be made in person in the Mount Carmel College of Nursing Business Office on the second floor of Marian Hall. The office is open from 8 a.m. to 4:30 p.m. Monday through Friday, excluding holidays. The office can accept checks, or money orders. Credit card payments are accepted online only.
- (3)** Payment may be made by credit or debit card or by electronic check online through the student CARMELink account using the Cashnet option in the Bursar Office and Account Information section. American Express, Discover, Visa and MasterCard are accepted and a merchant processing fee of 2.90% will be assessed to the payor on every credit card payment. There is no processing fee for electronic check (ACH) payments.

Financial Aid

- Financial aid that is approved or pending may be deducted from the bill.
- Federal Stafford and PLUS (parent) loans will be credited to the student's account when they are electronically transmitted (EFT). Student is notified of the receipt of the funds by the Bursar Office.
- Financial aid is credited to them student's account as it is received by the College.
- When a credit balance occurs, the student will receive a refund of that amount.
- If financial aid deadlines are not met, the student is responsible for paying the entire balance due.

Scholarship Opportunities

Institutional Merit Scholarships

Mount Carmel College of Nursing offers financial assistance to top students through merit-based scholarships. Unlike loans, these Achievement Awards do not need to be repaid.

MCCN Book Grant

The Book Grant, through generous donated support, is intended to provide additional funding for students with exceptional need.

Mount Carmel College of Nursing Endowed Scholarships

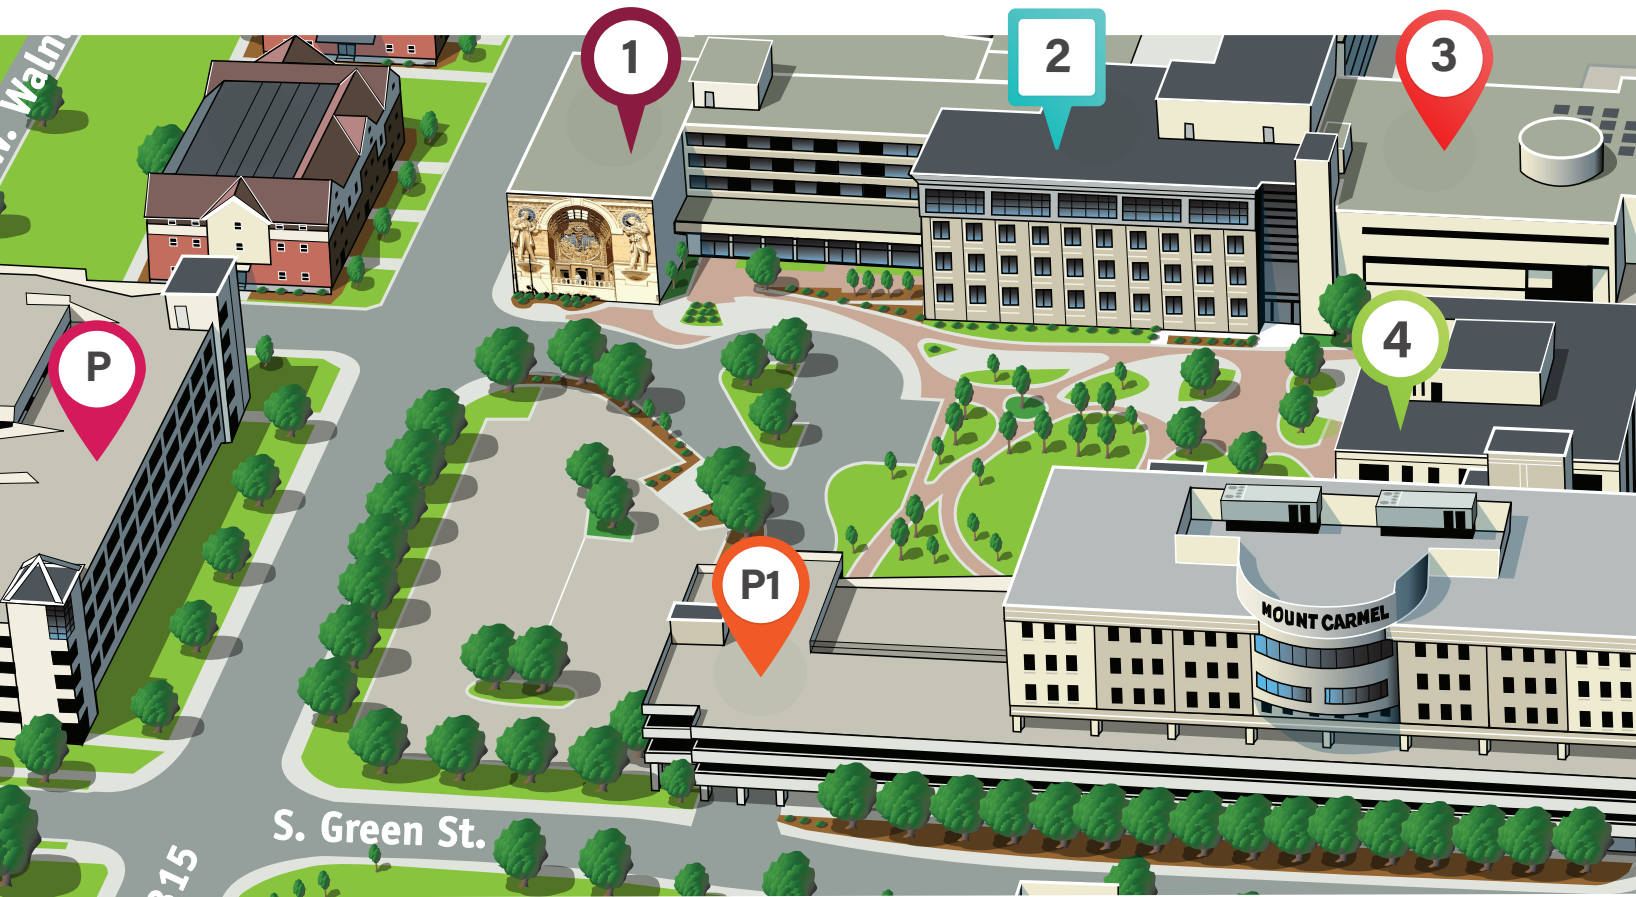

Through generous support of donors, MCCN is privileged to offer numerous scholarship opportunities to our students. These scholarships are funded directly from donor gifts and awarded through an annual application process.

Outside/Non-MCCN Scholarships

Many scholarships and grants are offered by private sources, such as fraternal and religious organizations, labor unions, professional associations, social groups, and ethnic associations.

Mount Carmel College of Nursing is committed to safety and security on campus and is in compliance with the Jeanne Clery Disclosure of Campus Security Policy and Campus Crime Statistics Act. The Annual Security Report (ASR) and Fire Safety Report includes statistics for the previous three years on reported crimes occurring on MCCN and FMC campuses and on public property within or immediately adjacent to and accessible from each campus. This report can be found at catalog.mccn.edu/index.php under security information. The report also includes institutional policies concerning campus security and fire safety. A printed copy of the report is available at no charge by contacting the MCCN Compliance Officer at compliance@mccn.edu.
